

Team yellow

Project progress

- Completed our README file
- Completed tasks in GitHub
- Tracking our project progress as a team

Github progress

- ● Created our project repository
- ● Added tasks
- ● Completed the tasks we had assigned
- ● Using GitHub to track our progress

What's next?

- ● Start the project
- ● Plan features and gameplay
- ● Divide team responsibilities
- ● Create and test a basic version
- ● Fix bugs and improve the design
- ● Complete GitHub tasks and update the README
